APPLICATION INSTRUCTIONS

- I. On an attached sheet(s) of paper, answer the following questions.
 1. Have you met the prerequisites and **submitted all required forms and documentation**?
 - If not, include a written plan on how you plan to meet the prerequisites and/or submission of the required forms and documentation. Depending on space availability students may be accepted into the program. Application requirements must be completed for acceptance into the program.
 - **Primary deadline is May 1 of each year.**
 - Applications are still accepted after the primary deadline and then all prerequisites must be completed by the end of Summer quarter for possible acceptance fall quarter.

2. List your veterinary experience. Include location, doctors, and dates, hours worked or volunteered, and describe your duties and participation level. Use additional pages if necessary.
 3. List other work experience, including location, dates, and duties or responsibilities. Use additional pages if necessary.
 4. Describe school and/or community activities and hobbies. Include leadership positions, awards received, and level of involvement where appropriate.
 5. What special obstacles or extenuating circumstances, if any, within the past 5 years, have you overcome to reach this point in your education?
 6. Are you fluent in a language in addition to English? If yes, state the language. (Fluency will be verified by a language expert.)
- II. Attach an essay of no more than 150 words on why you want to become a veterinary technician.
- III. Have three reference forms sent to the program or submitted with your application. One must be from the veterinarian where you did your 50 hours of observation/work experience. No references are accepted from family members.
